Health

‘A man who, beyond the age of 26,
finds himself on a bus can count
himself as a failure.’

- former British prime minister

‘[Car dominance] is the consequence of established land-use patterns in Sydney and there is no indication in the available data that the patterns of demand will change in the future.’

- NSW State Infrastructure Strategy 2012-32

You have \$200 million dollars and five years. What are you going to do?

You're in a lift with the Prime Minister. She's getting out at the next floor. What are you going to tell her she needs to do?

Thank you
